## REI CLIMBING WALL

---

Attn: *Windy Merrill*

Your group's climbing wall reservation is for Mon Dec 15, 1997 at 7-8 30 pm.

The following are some guidelines that we ask you and your group to be aware of and adhere to during your session:

- We provide: the wall, a belayer, all necessary harnesses and equipment, and a short orientation on commands and etiquette, all free of charge to you and your group.
- Each climber must be at least 48 inches tall.
- Each climber must have a completed REI Climbing Liability Waiver. Minors must have a parent or guardian signed form, with appropriate date listed (the date of climbing).
- REI equipment (harnesses, belay devices), and an REI staff belayer must be used.
- Please have present at least one adult for every 5 young people in your group.
- Participants should wear loose fitting clothing to accommodate good freedom of movement. Long shorts work best with the fit of the harness.
- Standard athletic shoes are fine for use on the wall. We also have climbing shoes available for group use free of charge.
- Each person will get as many turns as time allows. Depending on group size, this usually, but not always means 2 opportunities to climb per person.

Thank you for your interest in REI and our Group Climbing Program. We look forward to seeing you in the store. If you have any questions, please contact Alex Barnett.
